I liked this book BECAUSE it helps
you understand to achieve your
dreams and if you are feeling
down to bring your self up. this
also can help you understand
that you don't have to be perfect
to achieve something. What
made you like this book?

I think the sky walkers were important
because 75 out of 86 people died
because there boss was stuck up
and told them to keep on working
on the bridge that was clearly
unstable. The sky walkers are
important because they helped
build the two twin towers were
important to history.
